HOLY COMMUNION

First & Third Sundays
Each Month

Family Worship on Sunday Morning is one of our favorite times of the week at First United Methodist Church Beaumont. We gather in downtown Beaumont to pray, sing, open the Scriptures to encounter the presence of God, and to celebrate and be reminded together that God is faithful. All who are committed to loving God, or who simply desire to be loved by

God are welcomed at Christ's table. Our children are an important part of the life at First UMC Beaumont. They are always welcome in worship and can also participate with our children's ministry where they will have an opportunity to experience God's love through story and fellowship appropriate for their age group.

SOUL RESET

APRIL 11 | LED BY ROBIN SNOEK

In the last 12 months we have lived in disorderly times. Hurricanes, freezes, social unrest and COVID-19 have disrupted our lives in so many ways. Our souls need to reset. Come join us as we seek to process these events, meet new friends, strengthen relationships, and for a time of spiritual deepening.

Soul Reset is a call for the church and all of Jesus' disciples to reset and reorder their lives around spiritual practices,

to learn to walk through our difficult seasons with our souls connected to the source of Living Water so that we don't burn out or break down. Soul Reset reminds us that if we burn out or break down, we learn to lift up one another, and point one another back to Jesus.

Soul Reset by Junius B. Dotson is available for purchase at Barnes & Noble, Amazon, Cokesbury, and other book stores.

DREAM GIVER

APRIL 22 | LED BY BETHANY RAMSEY

Are you living your dream – or just living your life? Welcome to a little story about a very big idea. This compelling modern-day parable tells the story of Ordinary, who dares to leave the Land of Familiar to pursue his Big Dream.

You, too, have been given a Big Dream. One that can change your life. One that the Dream Giver wants you to achieve. Does your Big Dream seem hopelessly out of reach? Are you waiting for something or someone to make your

dream happen? Then you're ready for The Dream Giver.

You were made for this. Now It's time to begin your journey.

Follow along as we study The Dream Giver by Bruce Wilkinson this spring in our evening Small Group. We will explore how to rise above the ordinary, conquer your fears, and overcome the obstacles that keep you from living your Big Dream.

"The Dream Giver is a relatable story. As you read, you can see yourself in the different roles discussed in the book. Eye opening as you realize the effect you have had on others – positive or negative."

–Robin Snoek

"Meeting in this small group helped us meet friends and also make new friends and hear their opinions, thoughts, and concerns. It broadened our horizons of thinking and we enjoyed sharing with the people."

–Mary & Neil Early

"Bro Julius, I will like to first thank your member that felt excited enough about her church to invited me to the group. I found out why she was so excited about the group the members were warm and authentic as we shared and explored our feeling of the Dream Giver."

–Bro. Kenny Sanders

"I loved the journey our group took together with the author of Dream Giver. We got to know each other and I let them get to know me as we together explored passages through a creative understanding of God's will, blessings and grace."

–Sandra Geter

... "Both [small groups] were based on current readings, Bible based, and applicable to our life situations. Even better, they provided a delightful way to connect with folks I haven't seen in a while or have never met. We shared personal experiences, Biblical interpretations, and perspectives on a faith based life. It's so refreshing and motivating to dig deep with close friends. I thoroughly enjoyed every minute.

–Gail Wilson

... "I assumed [Dream Giver] would have little personal relevancy. I was quite surprised when I began to see very real situations that Darline and I had been through, and also find characters I could identify with, and figures I had encountered."

–Mickey Rouse

... "I had the great pleasure of seeing some of my closest FUMC friends and several with whom I was barely acquainted. How lovely it was to relate to old comrades and to begin new friendships." ... "it was a great fun to dive into this study and to share our views with one another. It was enlightening, challenging work, all done in a warm, supportive, loving group who are all much the wiser and closer for having done so."

–Liza Nelson
